NEW PRODUCT LAUNCH - TELETRACK+

During these uncertain economic times, most small to medium sized businesses cannot afford to be paying too much for telecom services.

Orion Communications, Inc., a locally owned & operated business, is proud to introduce TeleTrack+; an ongoing solution focused on managing telecom services. The less time organizations spend managing their network, the more time they can spend managing their business.

This service saves time & money to companies of all industries while relieving them the headache of dealing with the big carriers directly.

Benefits of the TeleTrack+ include; one point of contact for telecom carrier management, communications strategic planning, trouble ticketing, cost containment & bill reconciliation.

Orion has partnered with multiple small to medium sized businesses in Southeast & Northeast Wisconsin in diverse industries for over 15 years. In the past 3 years, Orion has saved their customers \$4.3 million.
